**PATRIOT PARK METROPOLITAN DISTRICT NO. 1
2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Patriot Park Metropolitan District No. 1 (District No. 1) and Patriot Park Metropolitan District No. 2 (District No. 2) (collectively, the “Districts”) were formed under the Consolidated Service Plan approved by the City of Colorado Springs (the “City”) on April 10, 2018. District No. 1 was organized by El Paso County Court Order on May 17, 2018.

The Districts’ service area is located entirely within the City of Colorado Springs, El Paso County, Colorado. The Districts were organized to provide financing and construction for parks and recreation, public art, sidewalk and public space maintenance and streetscaping.

District No. 1 voters approved authorization to increase property taxes up to \$10,000,000 annually, as necessary to pay for the operations and maintenance expenditures of the district. Debt authorization was approved in the amount of \$9,600,000 for the execution of the Agreement and \$78,720,000 for repayment costs. The election also allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20, of the Colorado constitution or any other law.

Pursuant to the Districts’ Service Plan, the amount of debt that can be issued is \$8,000,000 combined for both Districts, in Limited General Obligation Bonds. District No. 1 mill levies for debt are capped at 50 mills, and operating and maintenance is capped at 15 mills. District No. 1’s total cap is 65 mills, the method of calculating assessed valuation may cause adjustments in the mill levies. All Debt will be repaid by taxes imposed and collected for no longer than the Maximum Debt Mill Levy for all Districts.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those difference may be material.

Revenues

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 10% of the property taxes collected.

Intergovernmental Revenue

District No. 2 will transfer General Fund revenues to the District to pay for Administrative and Operating Expenditures for the Districts.

Expenditures

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the Districts' administrative viability such as legal, management, accounting, insurance and meeting expense. Estimated expenditures related to repairs and maintenance and utilities were also included in the General Fund budget.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

District No. 1 has no operating or capital leases.
